

## Calling all dirt bikes to rally

**PORT AU CHOIX** – A dirt bike rally will be held at the Twin Town Sports Complex on Wednesday, Aug. 9.

The rally represents a joint effort of the Port au Choix Green Team, Parks Canada, the Youth Justice Committee and the RCMP.

The rally, which gets underway at 6 p.m., is open to kids of all ages. Prizes will be awarded for first, second and third place finishes. There will also be a barbeque at the conclusion of the rally.

Green Team member Lindsey Payne says the dirt bike rally “is a great way to target different age groups and educate them about the species

at risk and the rare flora of the Limestone Barrens.” The team is hoping to build on the success of the 2005 Dirt Bike Rally.

“Come out, ride your dirt bikes or ATVs, and have a blast,” she adds.
