

X-treme Rally hit with youth

PORT AU CHOIX – An 'X-treme Impact' Rally was held on Sept. 27 for local youth who are all-terrain vehicle and bicycle riders.

Participants enjoyed an entertaining evening while learning valuable information on safe riding practices and how to conserve and protect the Limestone Barrens.

The community education and outreach event was made possible through a partnership between Parks Canada, the Limestone Barrens Habitat

Stewardship Program and the Port Saunders detachment of the RCMP.

Shirley Alyward, Limestone Barrens interpreter at the Port au Choix National Historic Site, thanks those who came out to participate, as well as the many people who generously volunteered their time to make this event such a success.

"We recognize and appreciate everyone's contribution. You are all great stewards of the limestone barrens."

Josh Hughes and Brady Francis are captivated by the 'Find the Fernald's Braya' activity.

Winners of the rally were: (l-r) – Shelby Gould, Jaydon Wellon, Alyward, Kerri Bromley, Ian Hughes, Chelsea Alyward, Nicole Offrey, Joseph Hughes, Shirley Alyward, Cody Atkins and Tyler Plowman.
